The Course

This course will help to launch a career in various areas of design and digital media. You will research areas that interest you, respond to project briefs, build a personal portfolio and gain real insight into contemporary creative practice. The programme provides you with opportunities to explore an exciting range of locations and themes to generate innovative and individual ideas and outcomes.

Course Aims

- Tol provide you with the fundamental creative skills and working practices needed for progression to further study.

What You Will Study

- Digital media
- Creative projects
- Portfolio development
- Working to a brief
- Communicating ideas and information
- English and Maths, as required

Entry Requirements

You will need four GCSEs at grade 3 or equivalent, including English and Maths. A satisfactory reference is also needed.

Teaching and Learning Approach

A practical approach to teaching and learning is taken on this course.

Time Required on Campus

You will normally be in college three days per week.

Work Experience

30 hours work experience

How You're Assessed

Internally assessed assignments

Clothing, Equipment and Additional Costs

- Drawing equipment including pens, pencils, rubber, ruler, sharpener, watercolours
