Education and Early Years	Level 1	Full-Time	1 year	September 2024

The Course

The course is a great way to build key, transferable skills and also gain knowledge in relation to childcare and health.

What You Will Study

- > Being organised
- > Developing a personal progression plan
- > Working with others
- > Researching a topic
- > Designing an interactive presentation
- > Supporting children's learning through everyday experiences
- > Providing an activity to support children's emotional and social needs
- > Communication skills for health and social care
- > Advising others about healthy lifestyles
- > Providing a children's creative activity

Entry Requirements

You will need a full Entry Level 3 qualification, or equivalent, as well as 3 GCSEs at grades 1-2, including Maths and English. A passion for the subject and one satisfactory reference are also required.

Clothing, Equipment and Additional Costs

- > Lever arch folder with dividers to organise your work and assignments
- > Stationery including notepad for use in class, pens and pencils
- > A clear, enhanced DBS may be required for work placement

Progression

You will be able to progress to study at Level 2 in Childcare or Healthcare.

Careers

Work in childcare, education or health.
