

Stepping Forward: Health and Social Care

Welcome to Health and
Social Care

BISHOP BURTON
College

Health & Social Care

Task 1: What do I want to be when I grow up.....

1. Create a roadmap of where you want to be in five years' time. (your chosen profession) If you are interested in nursing look at the different aspects of nursing (adult, child and mental health)
2. What do you need to do to get there?
3. What grades do you need?
4. What are the main roles and responsibilities?
5. What other information can you find about your chosen job role?

Research three other job roles within Health and Social care and complete tasks 2, 3, 4 & 5

TASK 3: The NHS

What do you actually know about the NHS?

Undertake research into the NHS:

- When was the NHS formed?
- Why was it formed?
- What happened pre NHS?
- Structure of the NHS
- Different job roles within the NHS
- What part as the NHS played in Covid 19?
- Any other interesting or useful information

Create a detailed PowerPoint into the NHS in readiness for you starting in September.

Challenge: Can you complete an A-Z of different job roles within the Health and Social Care Sector?

Who to send the work to?
