TAKE YOUR EDUCATION TO THE NEXT LEVEL

Bishop Burton College is part of a selected consortium to deliver world-class technical education to give YOU a new choice after GCSEs.

T Levels were pioneered in September 2020 to provide a unique alternative from other vocational qualifications! You spend a large proportion of your time in the real working setting. In fact, you spend **80% at College and 20% in industry.**

So, when you complete your T Level, you will not only qualify with a qualification equivalent to 3 A Levels, you will also have the skills, knowledge and extensive industrial experience to go straight into the workplace.

This brochure contains further information about the structure of a T Level, how a T Level is graded, the core concepts studied, industry partnerships and much more.

If you would like to explore more, please contact our friendly Recruitment Team on enquiries@bishopburton.ac.uk or join us at our next open event www.bishopburton.ac.uk/openevents

T LEVELS AT BISHOP BURTON COLLEGE:

- Education and Childcare
- Health
- Onsite Construction
(**BRAND NEW FOR SEPT 2022**)
- Management and Administration
(**BRAND NEW FOR SEPT 2022**)

STRUCTURE OF A T LEVEL

T Levels are an alternative to A levels, apprenticeships and other 16 to 19 courses. **Equivalent to 3 A levels**, a T Level focuses on vocational skills and can help students into skilled employment, higher education or higher-level apprenticeships.

These have been specifically designed with employers and businesses to give you a head start towards the career you want.

T Levels consist of 80% at College and 20% on a 45-day meaningful industry placement, where you can put your newly learnt skills and knowledge straight into practice.

80%
AT COLLEGE
20%
WORKPLACE

GRADING OF A T LEVEL

Students who complete their T Level will receive a nationally recognised certificate showing the overall grade you achieved - pass, merit, distinction or distinction*.

Your certification will also give details of what you had learnt on the course to help you move into skilled employment or a higher apprenticeship.

FINANCIAL SUPPORT

Our Student Recruitment team are always on hand to give information and advice on financial issues, including grants, fees, student loans, bursaries and money management.

We have a range of options available to college students requiring financial support, including funds and loans. Visit www.bishopburton.ac.uk/collegefinance

FREE TRANSPORT

Our T Level courses qualify you to use our **FREE** transport when travelling to and from the college.

We currently operate 13 routes across the region, with all services running from Monday to Friday during term time. We'll ask you which route is best for you when you enrol and provide you with a bus pass.

Visit www.bishopburton.ac.uk/transport to find your nearest bus stop.

EDUCATION AND CHILDCARE T LEVEL

The Education and Childcare T Level provides the ultimate blend of theoretical study in the classroom, being hands-on in our Childcare Centre of Excellence with a fully equipped nursery room and sensory room, whilst also working a minimum of one day a week in the industry.

All students on this course are guaranteed a job interview with the Child Dynamix community nursery in Hull.

WHAT YOU STUDY - EDUCATION AND CHILDCARE CORE CONCEPTS

- Wider context of the childcare industry
- Supporting education
- Safeguarding, health and safety and wellbeing
- Behaviour
- Parents, families and carers
- Child development
- Observation and assessment
- Special educational needs and disability

WHAT YOU STUDY - EARLY YEARS EDUCATOR SPECIALISM KEY CONCEPTS

- Support and promote children's play, development and early education
- Develop relationships with children to facilitate their development
- Plan, provide and review care, play and educational opportunities to enable children to progress
- Safeguard and promote the health, safety and wellbeing of children
- Work in partnership with colleagues, parents, carers and other professionals to support children's development

ENTRY REQUIREMENTS

Four GCSEs at grade 4/C or equivalent, preferably including English and Maths or a relevant BTEC Level 2/ First Diploma, plus one satisfactory reference.

However, there may be exceptions and all individual cases will be treated on merit.

DURATION

Two years full-time.
Normally in college three days per week and one to two days in work placement.

CAREERS

Students who achieve this qualification could progress to the following employment in the Childcare sector, including jobs such as:

- Nursery worker
- Teaching assistant
- Learning mentor
- Child minding
- Children's play centres
- Primary school teacher
- Special educational needs teaching assistant

PROGRESSION OPPORTUNITIES

Students could also progress into:

- Higher Education
- Apprenticeship

HEALTH T LEVEL

The Health T Level provides the perfect blend of theoretical study and hands-on work experience. Students on this course will study both the key Health core concepts and also specialise in the key concepts around supporting the adult nursing team.

Here at Bishop Burton College, we work closely with the local NHS trust in giving students valuable industry experience.

WHAT YOU STUDY - HEALTH CORE CONCEPTS

- Working within the healthcare sector
- Managing information and data within the healthcare sector
- Good scientific and clinical practice
- Providing person centred care
- Health and well-being
- Infection prevention
- Safeguarding
- Assist registered health care professionals with clinical or therapeutic tasks
- Undertake a range of physiological measurements

WHAT YOU STUDY - SUPPORTING THE ADULT NURSING TEAM SPECIALIST CONCEPTS

- Assist with an individual's overall care
- Assist with clinical skills
- Support individuals to meet the activities of daily life

ENTRY REQUIREMENTS

Four GCSEs at grade 4/C or equivalent, which must include English, Maths and Science.

DURATION

Two years full-time. Normally in college three days per week and one to two days in work placement.

CAREERS

Students who achieve this qualification could progress to the following employment in the Health sector, including jobs such as:

- Ambulance support worker
- Healthcare support worker in a health setting
- Senior healthcare support worker in a health setting
- Dietetic assistant
- Occupational therapy support worker
- Physiotherapy assistant
- Speech and language therapy assistant

PROGRESSION OPPORTUNITIES

Students could also progress into:

- Higher Education
- Apprenticeship

**NEW FOR
SEPTEMBER
2022**

ONSITE CONSTRUCTION T LEVEL

The Onsite Construction T Level will help you gain a solid understanding of the onsite construction industry and sector. Working from TWO bespoke onsite construction areas you will specialise in either bricklaying or plastering to develop the knowledge and skills needed by employers to go straight into skilled work or higher-level study.

WHAT YOU STUDY – BRICKLAYING PATHWAY CORE CONCEPTS

- Health and safety
- Design and planning
- Presentation
- Constructing masonry structures
- Repair masonry structures

WHAT YOU STUDY – PLASTERING PATHWAY CORE CONCEPTS

- Health and safety
- Design and planning
- Presentation
- Internal plastering systems
- External rendering systems
- Produce and fix mouldings
- Repair damage to surfaces

ENTRY REQUIREMENTS

Four GCSEs at grade 4/C or equivalent, which must include English and Maths.

DURATION

Two years full-time. Normally in college three days per week and one day in work placement.

CAREERS

- Bricklayer
- Plasterer
- Project Manager
- Structural Engineer
- Development Consultant
- Company Owner

PROGRESSION OPPORTUNITIES

Students could also progress into:

- Higher Education
- Apprenticeships

**NEW FOR
SEPTEMBER
2022**

MANAGEMENT AND ADMINISTRATION T LEVEL

The Management and Administration T Level has been designed with employers in the Business sector to prepare you to enter the industry or to progress into higher level study.

You will gain an understanding of the intricate workings and procedures of running and working in a business, with a specific focus on leadership and management.

WHAT YOU STUDY – MANAGEMENT AND ADMINISTRATION CORE KNOWLEDGE

- Contexts that organisations operate and manage in
- Key people and stakeholders that support business operations
- Quality and compliance standards that affect business operations
- Financial contexts that organisations operate within
- Key policies and procedures that support organisations
- Concepts of project and change management
- Business behaviours that influence how organisations operate

WHAT YOU STUDY – MANAGEMENT AND ADMINISTRATION CORE SKILLS

- Business and commercial awareness, including organisation structures
- Project management including carrying out a project
- Communication including developing communication plans
- Collaborative working including integrating stakeholders into their business
- Problem solving including undertaking cost-benefit analysis and benchmarking using KPIs
- Undertaking research using PESTLE and SWOT analysis techniques

ENTRY REQUIREMENTS

Four GCSEs at grade 4/C or equivalent, which must include English and Maths.

DURATION

Two years full-time. Normally in college three days per week and one day in work placement.

CAREERS

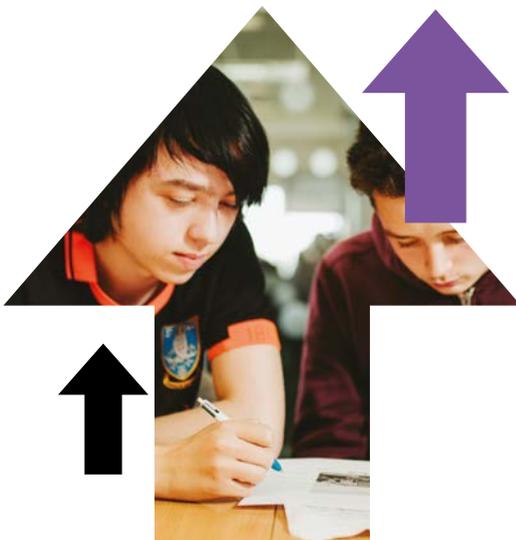

Students who achieve this qualification could progress to the following employment in the Business sector, such as:

- Business Management
- Economics
- Accounting
- Human Resources
- Marketing
- Personnel
- Project Management
- Finance
- Customer Service
- Retail
- Become Self-Employed

PROGRESSION OPPORTUNITIES

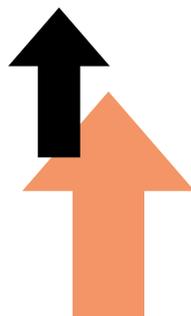

Students could also progress into:

- Higher Education
- Apprenticeship

HOW TO APPLY

Applications are open to start your course in September. We encourage students to apply as soon as possible as places are limited. When you apply for a T Level it will be your full-time study programme, there is no need to apply for another course.

Once we have received your application, we will schedule a personalised interview with the course manager for you to discuss your study programme in more detail.

ONLINE APPLICATION

www.bishopburton.ac.uk/applynow

All applications are completed via our Applications Hub on the website. To get started, simply create an account via the sign up screen or log in if you have an account with us already.

CAP APPLICATION

Common Application Process

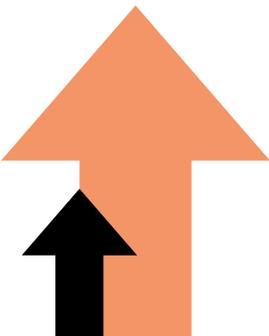

Alternatively, if you are a student from a Hull or East Riding school, you can make an online application by visiting logonmoveon.co.uk. To make a CAP application, you'll need a username and password which are available through your school.

OPEN EVENTS

The best way to really find out about T Levels at Bishop Burton College is to join us at one of our Open Events. We will be running a series of virtual and onsite open events throughout the academic year.

For the latest information on Open Events, including dates and how to book your place, visit

www.bishopburton.ac.uk/openevents
